

ECTS-Studienablauf ab WS 2024/25

3. Academic Year						
Subject	Method	Number	Hours	Credits	Period	
Clinical Chemistry and Laboratory Diagnostics	lectures	3MED1101	58	3,6	only autumn semester	
Clinical Chemistry and Laboratory Diagnostics	practical training	3MED3202	49	6,0	only autumn semester	
Epidemiology (QSB 1)	lectures	3MED1103	28	1,7	only autumn semester	
Epidemiology (QSB 1)	practical training	3MED3204	18	2,2	only autumn semester	
General Pathology	lectures	3MED1105	68	4,2	only autumn semester	
General Pathology	course	3MED3206	49	6,0	only autumn semester	
Infectiology/Medical Immunology (POL 1; part I of QSB 4)	lectures	3MED1107	15	0,9	only spring semester	
Infectiology/Medical Immunology (POL 1; part I of QSB 4)	tutorium	3MED3208	29	3,6	only spring semester	
Introduction to clinical medicine a course in the learning clinic	course	3MED3209		3,6	only autumn semester	
Internal Medicine Examination Course	lectures	3MED1110	55	3,4	only autumn semester	
Internal Medicine Examination Course	practical course	3MED3211	30	3,7	only autumn semester	
Medical Microbiology/ Virology/Hygiene/Immunology	lectures	3MED1112	78	4,8	only spring semester	
Medical Microbiology/ Virology/Hygiene/Immunology	practical training	3MED3213	55	6,7	only spring semester	
Pharmacology/ Toxicology	lectures	3MED1114	58	3,6	only spring semester	
Pharmacology/ Toxicology	course	3MED3215	50	6,1	only spring semester	
Radiology - Basics (part I of QSB 11, part II in 4th year, part III in 5th year)	lectures	3MED1116	8	0,5	only autumn semester,	
Radiology – Basics (QSB 11)	course	3MED3217	4	0,5	only autumn semester	
History of Medicine/Ethics (QSB 2)	lectures	3MED1118	28	1,7	only autumn semester	
History of Medicine/Ethics (QSB 2)	course	3MED3219	8	1,0	only autumn semester	
4. Academic Year						
Subject	Method	Number	Hours	Credits	Period	
Anaesthesiology	lectures	4MED1120	30	1,6	only autumn semester	
Anaesthesiology	practical training	4MED3221	24	2,5	available in autumn or spring semester	
Clinical Pharmacology (part I of QSB 9)	lectures	4MED1122	23	1,2	only spring semester	
Clinical Pharmacology (part I of QSB 9)	course	4MED3223	20	2,1	available in autumn or spring semester	
Clinical Radiology (Part II of QSB 11, Part III in 5th year)	lectures	4MED1124	21	1,1	only spring semester	

	Clinical Radiology (QSB 11)	course	4MED3225	25	2,6	available in autumn or spring semester
	Dermatology, Venerology	lectures	4MED1126	27	1,4	only spring semester
	Dermatology, Venerology	practical training	4MED3227	20	2,1	available in autumn or spring semester
	Emergency Medicine/First Aid (POL II; QSB 8)	lectures	4MED1128	27	1,5	only autumn semester
	Emergency Medicine/First Aid (POL II; QSB 8)	tutorial	4MED3229	24	3,2	only autumn semester
	Emergency Medicine/First Aid (POL II; QSB 8)	practical training	4MED3230	15	0,8	only autumn semester
	Environmental Medicine (QSB 6)	lectures	4MED1131	14	0,7	only autumn semester
	Environmental Medicine (QSB 6)	course	4MED3232	4	0,4	available in autumn or spring semester
	General Medicine	lectures	4MED1133	27	1,4	only spring semester
	General Medicine	practical training	4MED3234	39	4,1	available in autumn or spring semester
	Gynaecology and Obstetric	lectures	4MED1135	27	1,4	only autumn semester
	Gynaecology and Obstetric	practical training	4MED3236	20	2,1	available in autumn or spring semester
	Health Economics (QSB 3)	course	4MED3237	2	0,3	available in autumn or spring semester, Part II in 4 th year
	Human Genetics as part of Paediatrics	lectures	4MED1138	14	0,7	only spring semester
	Human Genetics as part of Paediatrics	practical training	4MED3239	2	0,4	available in autumn or spring semester
	Infectiology, Immunology (part II of QSB 4)	course	4MED3240	10	1,0	available in autumn or spring semester
	Internal Medicine (part 1)	lectures	4MED1141	54	3,1	only autumn semester
	Angiology			4		
	Cardiology			13		
	Endocrinology			12		
	Pneumology			12		
	Gastroenterology			7		
	Hepatology			6		
	Internal Medicine (part 1)	practical training	4MED3242	40	4,3	available in autumn or spring semester
	Cardiology			10	1,1	
	Endocrinology			10	1,1	
	Pneumology			10	1,1	
	Gastroenterology			5	0,4	
	Hepatology			5	0,5	
	Paediatrics	lectures	4MED1143	52	2,7	only spring semester
	Paediatrics	practical training	4MED3244	36	3,8	available in autumn or spring semester
	Pain Medicine (QSB 14)	practical training	5MED3288	4	0,5	available in autumn or spring semester

	Prevention (QSB 10)	course	4MED3245	4	0,4	available in autumn or spring semester
	Special Pathology/Clinical-Pathological Conference (QSB 5)	lectures	4MED1146	55	2,9	only spring semester
	Special Pathology/Clinical-Pathological Conference (QSB 5)	course	4MED3247	17	2,0	available in autumn or spring semester
	Traumatology (as part of Surgery 1)	lectures	4MED1148	10	0,5	only autumn semester
	Traumatology (as part of Surgery 1)	practical training	4MED3249	10	1	available in autumn or spring semester
	Urology	lectures	4MED1150	27	1,4	only spring semester
	Urology	practical training	4MED3251	10	1	available in autumn or spring semester
	Visceral Surgery (as part of Surgery 1)	lectures	4MED1152	31	1,6	only autumn semester
	Visceral Surgery (as part of Surgery 1)	practical training	4MED3253	20	2,1	available in autumn or spring semester
	5. Academic Year					
	Subject					
	Cardiac Surgery (as part of Surgery 2)	lectures	5MED1154	10	0,6	only autumn semester
	Cardiac Surgery (as part of Surgery 2)	practical course	5MED3255	10	1,2	available in autumn or spring semester
	Clinical Pharmacology (part II of QSB 9)	lectures	5MED1156	31	1,9	only autumn semester
	Clinical Pharmacology (part II of QSB 9)	course	5MED3257	9	1,0	available in autumn or spring semester
	Clinical Radiology (Part III of QSB 11)	course + practical training	5MED3300	5	0,5	available in autumn or spring semester
	Elective Course	practical course	5MED3258	27	3,3	available in autumn or spring semester
	Environmental Medicine (QSB 6)	course	5MED3259	2	0,2	available in autumn or spring semester
	Forensic Medicine	lectures	5MED1160	28	1,7	only autumn semester
	Forensic Medicine	practical course	5MED3261	16	1,9	available in autumn or spring semester
	Geriatrics (POL III, QSB 7)	lectures	5MED1162	25	1,5	only spring semester
	Geriatrics (POL III, QSB 7)	tutorium	5MED3263	24	2,9	only spring semester
	Geriatrics (QSB 7)	course	5MED3264	7	0,8	available in autumn or spring semester
	Health Economics (QSB 3)	lectures	5MED1165	20	1,2	only autumn semester
	Health Economics (QSB 3)	course	5MED3266	2	0,1	available in autumn or spring semester
	Infectiology, Immunology (part II of QSB 4)	lectures	5MED1167	14	0,8	only spring semester

	Infectiology, Immunology (part II of QSB 4)	course	5MED3268	4	0,5	available in autumn or spring semester
	Internal Medicine (part 2)	lectures	5MED1169	39	2,5	only spring semester
	Rheumatology			11		
	Hematology			6		
	Oncology			5		
	Nephrology			7		
	Intensive care			5		
	Infection and tropical medicine			5		
	Internal Medicine (part 2)			practical course	5MED3270	
	Rheumatology	10	1,1			
	Geriatrics	6	0,7			
	Hematology	3	0,4			
	Oncology	3	0,4			
	Nephrology	4	0,5			
	Intensive care	4	0,4			
	Neuro Surgery (as part of Surgery II)	lectures	5MED1171			9
	Neuro Surgery (as part of Surgery II)	practical course	5MED3272	10	1,2	available in autumn or spring semester
	Neurology	lectures	5MED1173	26	1,6	only autumn semester
	Neurology	practical course	5MED3274	18	2,2	available in autumn or spring semester
	Occupational Medicine	lectures	5MED1175	7	0,4	only autumn semester
	Occupational Medicine	practical course	5MED3276	3	0,4	available in autumn or spring semester
	Ophthalmology	lectures	5MED1177	27	1,6	only spring semester
	Ophthalmology	practical course	5MED3278	10	1,2	available in autumn or spring semester
	Oral and Maxillofacial Surgery (as part of Surgery II)	lectures	5MED1179	10	0,6	only autumn semester
	Oral and Maxillofacial Surgery (as part of Surgery II)	practical course	5MED3280	4	0,5	available in autumn or spring semester
	Orthopaedics	lectures	5MED1181	27	1,6	only autumn semester
	Orthopaedics	practical course	5MED3282	20	2,4	available in autumn or spring semester
	Otorhinolaryngology	lectures	5MED1183	27	1,6	only spring semester
	Otorhinolaryngology	practical course	5MED3284	20	2,4	available in autumn or spring semester
	Paediatric Surgery (as part of Surgery II)	lectures	5MED1185	9	0,5	only autumn semester
	Paediatric Surgery (as part of Surgery II)	practical training	5MED3286	6	0,7	available in autumn or spring semester
	Pain Medicine (QSB 14)	lectures	5MED1187	8	0,5	only spring semester
	Pain Medicine (QSB 14)	practical training	5MED3288	4	0,5	available in autumn or spring semester

	Palliative Medicine (QSB 13)	lectures	5MED1189	11	0,7	only spring semester
	Palliative Medicine (QSB 13)	course	5MED3291	7	0,6	available in autumn or spring semester
	Prevention (QSB 10)	lectures	5MED1191	14	0,8	only spring semester
	Prevention (QSB 10)	course	5MED3292	6	0,7	available in autumn or spring semester
	Psychiatry	lectures	5MED1193	27	1,6	only autumn semester
	Psychiatry	practical course	5MED3294	22	2,7	available in autumn or spring semester
	Psychosomatic Medicine	lectures	5MED1195	27	1,6	only autumn semester
	Psychosomatic Medicine	practical course	5MED3296	20	2,4	available in autumn or spring semester
	Rehabilitation (QSB 12)	lectures	5MED1197	14	0,8	only spring semester
	Rehabilitation (QSB 12)	course	5MED3298	10	1,2	available in autumn or spring semester
	Special Pathology/Clinical-Pathological Conference (QSB 5)	course	5MED3299	6	0,7	available in autumn or spring semester
	Special Pathology/Clinical-Pathological Conference (QSB 5)	course (section)	5MED3299	6	0,7	available in autumn or spring semester
